

# 2024 Antibiotic Amnesty

Brought to you by

RESPONSIBLE USE OF MEDICINES ALLIANCE  
**RUMA**  
COMPANION ANIMAL & EQUINE

Sponsored by

## **Our practice is proud to support the safeguarding of antibiotics.**

We would like horse owners to return unused and out-of-date antibiotics to our practice so that we can dispose of them safely.

### **We are only able to accept veterinary medicines.**

We can also dispose of equine medicines other than antibiotics;  
Please ask a member of our practice team for assistance.

We are unable to provide refunds for returned unused medicines.
