

Getting ready from 1st October

- Get plastic box with lid
 - label with "Antibiotic Amnesty"
- Get all campaign resources here:
 - www.rumacae.org.uk/vet-antibioticamnesty/
 - <https://knowledge.rcvs.org.uk/amr/antibiotic-amnesty/>
- Share details of the campaign in your practice team meeting/s
- Put up posters, add notes in vaccine reminders, newsletters etc
- Put stickers saying "Return Unused Drugs" on packets

Starting 1st November:

- Put pharmaceutical bin in accessible but safe place for staff to use
- Ask clients in every consult to bring unused antibiotics back
- Advertise the campaign on your practice's social media
- Use campaign video or create a display board in the waiting room
- Email clients who have had antibiotics recently asking them to return unused medication
- Record conversations with clients,

If a client also returns medically prescribed antibiotics they should be directed to a community pharmacy

From 1st December - 7 December

- Count up the various antibiotics returned
- Count the number of conversations with clients
- Report these numbers via the BSAVA survey site:
<https://www.surveymonkey.co.uk/r/AbAmnesty2023>

- Prizes available!
- Second survey on experiences to follow
